

**OXFORDSHIRE COUNTY COUNCIL
(KINGHAM PARISH) (SPEED LIMITS) ORDER 20****

NOTICE is given that Oxfordshire County Council proposes to make the above order under the Road Traffic Regulation Act 1984 and all other enabling powers.

The effect of the order - in support of road safety issues - is to introduce a **20mph speed limit** within Kingham village, replacing the majority of the 30mph speed limit in the process, leading out to the following points:

1. Churchill Road – a point 160 metres northeast of its junction with The Green,
2. Station Road – a point 173 metres southeast of its junction with New Road,
3. The unnamed road running northwards to Chastleton/Daylesford – a point 15 metres north of its junction with Churchill Road/West Street.

The length of 30mph speed limit will be retained on the unnamed road north towards Chastleton/Daylesford, with Officers having taken the current road environment & traffic usage into account. The existing 40mph speed limits on the B4450 Station Road & Station Road also remain unaffected by these proposals.

The Oxfordshire County Council (Kingham Parish) (30m Miles Per Hour Speed Limits) Order 2021 will be revoked/replaced as necessary.

Documents giving more details of the proposals are available for public inspection online by visiting: <https://letstalk.oxfordshire.gov.uk> Copies may be made available on request.

Objections to the proposals and other representations specifying the grounds on which they are made may be sent in writing to the address below by the end of **24 November 2023**. The Council will consider objections and representations received in response to this Notice. They may be disseminated widely for these purposes and made available to the public.
